## Series Two

Series Two of the Coachman Collection complements homes with American country flair. With full or half-cross buck panels and your choice of rectangular, square or arched window styles, it's a classic style that looks as good with Irish country pine as it does with Texas Hill Country chic.

## Series One

Series One in the Coachman Collection proves that in simplicity, there is sophistication. Architectural styles such as mission, Shaker, country and prairie-style homes look beautiful with the understated elegance of this classic look. Your choice of rectangular, square, or arched windows provide that finishing touch.

## Series Three

Series Three of the Coachman Collection delivers solid good looks, designed to work exceptionally well with today's country French and Victorian style homes. Fully enclosed to provide maximum privacy, with optional cross buck bottom panels and square or arched top sections, this series is the architect's choice for a variety of home styles.
